Our preferred method for payment of the deposit (£100) is by Internet transfer, as this helps to keep down our bank charges, and consequently the price of this event. The balance will be due by 31 January 2019. You will find our bank details on our website and in our booking conditions. If you are able to do this, you should make payment within seven days to confirm your booking. If you do not bank in this manner please include a cheque, payable to 'Assoc. VINMOG', for the deposit of £100. Due to high charges, we are unable to accept payment by credit card or other means.

* Ferry companies may ask for a mobile number to use in the rare cases of operational problems; we will advise them the number you give above.
