Our preferred method for payment of the deposit (£500) is by Internet transfer, as this helps to keep down our bank charges, and consequently the price of this event. You will find our bank details on our website and in our booking conditions. If you are able to do this, you should make payment within seven days to confirm your booking. If you do not bank in this manner please include a cheque, payable to 'Assoc. VINMOG', for the deposit of £500. Due to high charges, we are unable to accept payment by credit card or other means.

* It is a condition of booking that all adults must be members of VinMog. Under 18s do not need to be members as long as they are travelling with a member.
